

MOBILE CAMERA & LIGHT MASTS

SB6- SIMPLE PLUS

The Simple series is characterised by its simple design and is one of the most affordable video surveillance towers in our range.

Despite the favourable price, all other details remain at the usual high level.

The Simple series is equipped with a roof. It is also optionally available without a roof (SB6-Simple).

The Securitbox provides sufficient space for your electronic devices.

All our models are already equipped with built-in climbing protection.
